DISCOVER THE STC SAUDI ARABIAN GRAND PRIX

WELCOME TO THE BIGGEST EVENT IN THE KINGDOM!

The FORMULA 1 STC SAUDI ARABIAN GRAND PRIX 2023 will take place on the weekend of March 17th - 19th – the third time in less than 16 months that F1 has raced at the record-breaking Jeddah Corniche Circuit - the fastest street circuit on the calendar, where drivers reach average speeds in excess of 250km/h.

Featuring no less than 27 corners, the Jeddah Corniche Circuit stretches to 6.175km in length, making it the second longest circuit on the current F1 calendar behind the legendary Circuit de Spa-Francorchamps and the longest street circuit in the sport.

The fact the race will take place at night under the lights only adds to the amazing atmosphere fans get to experience.

The F1 weekend in Jeddah also plays host to some of the world's biggest music acts to keep the adrenaline flowing long after the last engine has died down. Chart topping sensation Justin Bieber, R&B legend Jason Derulo and superstar DJ David Guetta performed to sell-out crowds in 2021, whilst 2022 saw the likes of the global super group Black Eyed Peas and Chris Brown entertain the fans on the circuit's Main Stage after the racing action had ended. In 2023, A-Listers Calvin Harris, Travis Scott, Afrojack and regional sensation Ahmed Saad are lined up as the weekend's superstar Headline acts.

The FORMULA 1 STC AUDI ARABIAN GRAND PRIX 2023 will be an unforgettable experience for all the family.

PASS ALLOCATION

To move freely between the Jeddah Yacht Club & Marina Zone and the F1 Zone, berth holders and their guests will be required to hold a GA-JYC Pass. This will allow entry into the General area of F1 but, more importantly, a return into the Jeddah Yacht Club & Marina Zone.

Only GA-JYC Pass holders will be permitted entry to the Jeddah Yacht Club & Marina Zone, as well as Grandstand, Premium Hospitality, and Paddock Pass holders. Proof of restaurant bookings will also allow entry to the Jeddah Yacht Club & Marina zone.

This year, instead of physical Passes, we will be distributing electronic versions that will allow berth holders, guests, and crew to access the General Access Zone and the area of the Jeddah Yacht Club & Marina.

Please be assured that we are working towards delivering the best possible experience in a safe and controlled environment for you and your guests.

We appreciate your understanding of the situation and will endeavor to keep you correctly informed of decisions as they are finalized.
